SIR Cm 93 55 1

In enclosing herein a copy of the Corporation resolution No 105 dated 16-6-1955 regarding meeting the entire maintenance charges of the Commissioner's Car from out of Corporation funds, etc , I write to state as follows -

In accordance with the provisions of clause 5 part 1 of Schedule IV of the Corporation Act, a Motor Car was provided to the Commissioner for the discharge of his official duties, and he was also given a sum of Rs.200/- per month for its maintenance, inclusive of the drivers pay (vide G O No L 4836-39/C M 1-52-4 dated 16-7-52) From actual experience it is found that this sum of Rs.200/- fell far short of the actual expenses Besides any expenditure incurred either for excess petrol or minor repairs however small over and above Rs.200/- will have to be frequently sent to the Government for sanction, resulting thereby hardship to the supplier who often complain and refuse either to supply petrol or undertake repairs on account of the delay caused in the payment of these petty bills As this limited sum of 200/- is very insufficient to meet the maintenance charges of the Car for attending to the varied duties of the Commissioner, and as it was feared that full justice cannot be done to the work of the Commissioner with this amount, the Standing Committee (Taxation & Finance) resolved on 16-5-1955 that the maintenance of the Commissioner's Car be taken over by the Corporation and met out of Corporation funds and that the sum of Rs.200/- now being paid for the purpose be stopped This resolution of the

(R2)

Standing Committee (T & F) was approved by the Corporation on 16-6-1955

In this connection it may be stated that in the neighbouring Corporation of Madras, where the Commissioner has also been provided with a Car, the entire maintenance charges of the Car, inclusive of the drivers pay, is being met from out of Madras Corporation funds

In these circumstances, I request that early sanction of Government may be obtained to the resolution of the Corporation referred to supra

Yours faithfully,

The Commissioner CCB

Letter no. B 3 PR 93/55 dated 21 June 55

Request sanction to meet the entire charges of maintenance of the Commissioner's Car from the Corporation funds

Sanctioned

The Commissioner CCB has been provided with a car by the Corporation for the discharge of his official duties. A sum of Rs 200/- P.M. has also been given for the maintenance of the Car inclusive of the Driver's Pay vide G.O no. L 4836-39/CM 1-52-4 dated 16-7-52

Now the Corporation in its resolution dated 16-6-55 has proposed to meet the entire maintenance charges of the Commissioner's Car, on the ground that the sum of Rs 200/- now permitted is inadequate and also ~~of the fact~~ that the ~~Commissioners of the~~ Madras Corporation is meeting the entire maintenance charges

Said reference is invited to the G.O no L 2644-402/CM 58-53-10 dated 9-6-55 in which two items of expenditure incurred towards repairs and replacement of spares have been sanctioned to be paid from the Corporation funds

In fact the Corporation is meeting the entire cost inspite of the limit of Rs 200/- fixed in G.O dated 16.7.52 in the case of the Mayor, he is also provided with a car, with the maintenance charges of Rs 300/pm subject to the condition that in the case of any expenditure over and above Rs 300/-, the sanction of the Corporation and Government is necessary in case of the Commissioner, no such conditional clause exists in the G.O dated 16.7.52, and therefore the maintenance charges over and above Rs 200/- should be ~~met~~ Paid for by the Commissioner himself Flag A Flag R Flag A

4 Section 13 of the Corporation Act, 49 lays down that the Commissioner shall be paid out of the Municipal funds such salary and allowances not exceeding Rs 1400/pm in the aggregate the Present Commissioner's pay as per Civil Cost of 1/1/55 is Rs 800

Duty allowance may be = Rs 200 (as his predecessor was getting)

Present Car Maintenance allowance is Rs 200

TOTAL Rs 1200

If the maintenance ~~allow~~ Car Maintenance allowance is increased from Rs 200/-

the increase should not exceed the statutory limit of Rs 1400/-

5 It is learnt from the news papers that the Corporation has proposed to fix the pay of the present Commissioner at Rs 1000/pm as against Rs 800/- if the pay is fixed at Rs 1000/-, the Daily allowance and the car maintenance allowances put together, may exceed the statutory limit of Rs 1400/-

6 However the proposal to meet the entire ~~car maintenance~~ charges cost of the Commissioner's car from the Corporation funds is for orders in consultation with the Chief Secy in the first instance

Rs 7/7 Ms 9/7 7) It is better to have some limit to the maintance cost of the car. If any expenditure, over & above that limit has to be sanctioned, Govt may sanction that expenditure. I submit that Rs 300/- may be fixed as the monthly limit for the maintenance of the car. If any expenditure over & above Rs 300/- has to be incurred, then Govt appl may be obtained
